SUPERINTENDENT

Dear Graduates,

Congratulations to the Class of 1992. This June will be a very special month for Southeastern and the Class of 1992 graduates. The school district will have experienced twenty-five school years and twenty-five graduations. Thousands of students have graduated and become successful tradesmen and residents of the school district. Many of our graduates are successfully employed, own their own businesses and have contributed to the growth and development of Southeastern and its member communities.

I hope that you realize your career dreams and, in the years ahead, have fond thoughts of your teachers and classmates.

Best wishes.

Paul K. O'Leary
Superintendent

John P. Avery, Ph.D.

DIRECTOR

Dear Member of the Graduating Class of 1992:

Congratulations! You have completed the first formal step in your lifelong learning process as a member of the twenty-fifth class to graduate from Southeastern. Your time spent here has afforded you the opportunity to obtain the skills necessary for personal and career success. However, the graduation ceremony is called commencement. Commencement is defined as "a formal beginning," and I urge you to *begin* to develop those skills you have acquired during the past four years.

As a graduate of Southeastern, you will be called upon in the future to support your alma mater. History has shown that the alumni are the strongest supporters of Southeastern, and I know that the Class of 1992, the Silver Anniversary Class, will assist us as well.

Best wishes and Godspeed to each of you.

IN MEMORIAM

The blow was great the shock
severe.
We little thought the end was
near.
And only those who have lost
can tell
The pain of parting without
farewell.
More each day we miss you.
Friends may think the wound is
healed,
But they little know the sorrow
That lies within our hearts
concealed.
Nothing can ever take away
The love a heart holds dear.
Fond memories linger every day;
Remembrances keep him near.
